The Changi Experience

At Changi Airport Group, we aspire to build a company where ordinary people work together to achieve extraordinary results. Our people are our greatest asset and we take great pride in all our employees, who contribute to Changi Airport's success as a global leading aviation hub.

We count on the Airport Emergency Service team when the unexpected happens. A world-class aviation rescue and firefighting unit is essential for any airport to stay in operation.

Airport Emergency Officer (AEO)

As an Airport Emergency Officer, saving lives and minimising property losses are your core responsibilities. Equipped with in-depth aviation firefighting skills, you are an indispensable member of a specialised team required to perform rescue and firefighting operations during an emergency. You will be responsible for operating sophisticated world-class fire vehicles/vessels as well as specialised firefighting equipment.
